In Memory

Doyt L. Perry
(1910-1992)

The BGSU Athletic Department, the University and the Bowling Green community lost a valuable person in former BGSU athletic director and football coach Doyt L. Perry when he passed away February 10, 1992.

There wasn't anyone who crossed paths with Perry who didn't hold him in the highest esteem, whether it was friend or foe.

As a coach, he left a legacy that may never be equalled - five MAC titles, an .855 winning percentage (77-11-5), the fourth-best percentage

in NCAA history among coaches with 10 or more years of service, and the 1959 national small college title.

Bo Schembechler, former coach at Michigan and the first assistant coach Perry hired when he came to BG in 1955, said it best. "I don't believe that I can name a coach anywhere, anytime, anyhow, that did it better than Doyt Perry."

The 1992 Bowling Green State University football media guide is dedicated to the memory of Doyt L. Perry.

See pages 78-79 for details on the dedication of the football stadium in Perry's name on Sept. 26.

What Bowling Green head coach Gary Blackney can accomplish for an encore to the 1991 season is a challenge he is looking forward to. Then again, challenges are something that have followed him throughout his coaching and personal life.

The effervescent Blackney has won the hearts of many in the Bowling Green community, both on and off campus, as well as many in Northwest Ohio and the state despite being on the job only 20 months. He also earned the respect of the coaches in the Mid-American Conference with the turnaround he orchestrated last season.

There wasn't any doubt in the minds of his colleagues when the voting for MAC Coach of the Year came around last fall. They were unanimous in their selection of him as the top mentor in the MAC.

It is not hard to believe why the vote was unanimous.

All Blackney did, in not only his first season at BGSU but his first season as a collegiate head coach, was take a 3-5-2 team and turn them into a 11-1 squad. The Falcons clinched the MAC title with two weeks of the league schedule still remaining, which is believed to be the earliest any team has

The Blackney File

Full Name: Gary Richard Blackney

Age: 47

Birthdate/Place: December 10, 1944/Astoria, New York

Began at BGSU: December 5, 1990

Children: Debbie (25), David (24), Kyle (18), Gary Jr. (14)

ever wrapped up the title. The final standings showed BG with a perfect 8-0 mark while the second place team finished at 3-1-4.

The top first-year coach in the country last season, Blackney was just the fifth coach in MAC history to lead his team to an outright conference title in his first season. He is also the winningest first-year head coach in BGSU history. The 11 wins by the 1991 team tied the school record.

In addition to his being named the top coach in the MAC, Blackney was also recognized by his peers, members of the American Football Coaches Association, as the Region 3 Coach of the Year. Region 3 includes schools in the states of Ohio, Indiana, Michigan, and Illinois. In addition, the

schools of Wisconsin, Minnesota and Iowa are also included in the region.

Blackney also received the Award of Distinction from the Touchdown Club of Columbus in February for his work with the BGSU football program last year.

But, in a sport that involves so many people, it would not be fair to give all of the credit for the 1991 Bowling Green State University football season to one person. But, certainly to find the mastermind behind the resurgence of the program one would have to look no further than Blackney.

Blackney, 47, began immediately to work on the confidence of a squad that had never had a winning season. At the same time, he wanted to test the commitment of

the team. It didn't take Blackney or his staff long to find out the team was thirsting for a winner and looking for someone to put the pieces together. Blackney was that person.

A little less than two years ago, Blackney realized his dream of becoming a collegiate head coach. He certainly paid his dues serving as an assistant coach the previous 21 years at such programs as Wisconsin, UCLA, Syracuse and, most recently, Ohio State. The list of coaches he served under ranks among the best in the collegiate game - such as Dick MacPherson, Terry Donahue, Earle Bruce, Ric Forzano and John Cooper.

The Plainview, New York native began his coaching career at his alma mater, Connecticut, in 1968, where he spent two seasons as a graduate assistant on a staff that included, in addition to Forzano, current Notre Dame head coach Lou Holtz, former Cleveland Browns head coach Sam Rutigliano, Dave Adolph and Dan Sekanovich, both NFL assistant coaches.

That was followed by stops at Brown and Rhode Island, in addition to the aforementioned schools, with all but two of those

seasons spent on the defensive side of the ball. Last season was the sixth time in the last eight years Blackney has helped a team to a bowl bid.

The Falcon mentor spent much of his time since the conclusion of the 1991 season speaking to different public and civic groups as well as speaking at many football camps and clinics.

His success story is certainly one that makes all people feel thankful for their own situation.

In March, 1986, Gary's wife, Laurretta, suffered a basilar artery aneurysm which has led to her need for 24 hour care ever since.

Forced to take over the duties of running the household, which were previously handled by Laurretta, Blackney made the necessary changes and still keeps up with the demands of being a head coach and a father.

A lesser person may have felt pity for themselves in that situation, but not Blackney.

"I look at Laurretta's situation and know she could call it quits.

But she keeps competing to get better and better. If you want to talk about endurance and courage, look at her - not me."

Gary and his wife have four children, Debbie, David, Kyle and Gary Jr.

Repeating in the Mid-American Conference is something that is not done very often. But, it is exactly what the Bowling Green State University football team will be trying to accomplish in 1992.

And after last season, one in which very few thought the Falcons would finish in the top half of the standings let alone win the title, the nucleus is in place for the Falcons to accomplish what no team has done since Central Michigan won back-to-back titles in 1979 and 1980.

Head coach Gary Blackney and his staff will have half of the 22 starters returning from the 1991 team that could be considered the most successful team in the 73-year history of the program.

BGSU does return almost every player at the skilled positions, but the biggest areas of concern are the offensive and defensive lines where only two of the nine players who started last season are returning.

"After the spring, I feel the offensive line has the potential to develop into a solid unit and we have some good depth with the younger players," Blackney said. "On defense, I feel good about the first three or four players on the line, but we don't have the depth I feel we need going into the season."

Blackney also believes that finding the chemistry that played such

Senior Artie Mangham will be the leader of the Falcon defensive unit.

a big role in last year's success will be important again in 1992.

"Chemistry may have been the single biggest factor that influenced our season last year. It is an intangible factor in a season but it is evident - it is either there or not there. We need to find that spirit of team and togetherness again."

One obstacle along the way in the 1992 season will be one of the toughest schedules in the history of the program. In non-league play, BGSU will play on the road against Big Ten foes Ohio State

and Wisconsin on consecutive weekends while in their lone non-league game at home the Falcons face East Carolina, the Peach Bowl champions who finished the season ranked ninth in the country.

"Our schedule is exciting and challenging," Blackney said. "It is right where we want it to be. We're (BG and MAC teams) constantly fighting for respect as a conference, we're fighting for recognition, we're fighting for prestige and the only way to attain that is to go out and play teams from other conferences who already have that respect. We have to play well, and in most cases for us to achieve respect, we have to win. But, this is the only way that you are going to earn that respect."

In MAC play, the Falcons have road games against their two closest pursuers last season, Central Michigan and Toledo, while games against Ball State and Miami, two teams that should be in contention for the league title, will be played at home where BG has compiled an 8-1-2 mark in their last 11 games, including a perfect 5-0 mark last season.

"I see every team in this league improving over a year ago," Blackney said. "I say that because of the quality of the recruiting the last two years."

- Offense -

BGSU will have most of their weapons on the offensive side of the ball returning, including MAC Player of the Year Erik White at quarterback and his favorite target, senior flanker Mark Szlachcic, the Most Valuable Player in the California Raisin Bowl.

But, for either of those two players or a quartet of good tailbacks to enjoy the same success as last season, replacements will have to be found for the entire right side of the offensive line.

The BG offensive line allowed just 11 sacks over the 12-game schedule last season while in almost every case allowing White the time needed to attempt the pass called. The leadership of the three departed linemen, especially center Brian Sherman, will also be tough to replace.

Junior Zeb Jackson started at tailback in the California Bowl last season and made two other starts. He is one of as many as four players at the position who could see playing time this season.

Senior Steve Bosko, who will move from guard to center, and junior Joe Wyse return on the offensive line to give the Falcons stability and experience.

"Our biggest challenge on the offensive side of the ball is replacing the three departed linemen," Blackney said. "That unit was outstanding last year and played well together."

If the offensive line can be put back together, then the Falcons will feature one of the best passing and catching combinations in the country in White and Szlachcic. The two hooked up 11 times for 189 yards in the Cal Bowl for two scores. White threw 19 touchdown passes last season completing 58% of his passes for 2,467 yards. Szlachcic was on the receiving end of 76 of those completions for 1,129 yards.

"If we are going to have any kind of success this year, White is going to have to pick up where he left off last season," Blackney said. "I also think we have one of the best receivers in the nation in Mark Szlachcic."

In addition to Szlachcic, White will have his top two targets at the split end position returning in sophomore Ronnie Redd, who caught six touchdown passes last season, and senior Dave Hankins, who averaged 14.7 yards on 20 receptions. Tight end Brett Landman, who was second on the team with 35 catches, will have to be replaced, but the next three players at the position all return.

BG has quality and depth at tailback with the return of LeRoy Smith, last year's leading rusher with 937 yards, along with Zeb Jackson, George Johnson and Eric McGhee, a red-shirt last season. The fullback spot is a whole different story as two players, Dwaylon Alexander and Maurice Coles, who have little experience, are the leading candidates.

- Defense -

This unit was ninth in the country last season in scoring defense allowing just 13.3 points per game while they were tied for ninth in the nation in turnover margin at +1.27. Like the offense, if the de-

fense is to enjoy another good year the line has to replace the loss of all-conference performers Mark Ross at noseguard and Paul Harris at tackle along with end Steve Wilbourne.

But, unlike the offensive line, two players return on the defensive side after seeing considerable playing time last season. Junior Bob Dudley will start at the end position while Clint Frazier returns at noseguard.

Three of the four linebacking spots are in good hands with experienced players returning. Sophomore Vince Palko returns from a solid first year at one inside linebacker while Artie Mangham moves from the outside to the inside. The same move last year with Mike Calcagno paid big dividends as Calcagno led the team in tackles.

"We want to get Artie, one of our better athletes, involved in more of the action and to put him in a position to make more plays," Blackney said.

Cal Bowl '91 - The Activities

After arriving and getting pictures with Sunny the California Raisin Bowl mascot, one of the great parts of any bowl game is the activities the athletes get to participate in during the week and the California Bowl is no different. The players spent an afternoon bowling with players from Fresno State, got a chance to take a few laps in a miniature Indy style race car and had a rib-eating contest. Of course, practice also has to be worked into the schedule. BG head coach Gary Blackney celebrated his 47th birthday on Tuesday of bowl week and the team celebrated after practice. Students from Eric White School in Selma, Calif. attended one of the Falcons' practices and BG quarterback Erik White signed autographs for the kids.

Cal Bowl '91 - The Game

Before the game, about 3,000 Falcon fans and Freddie and Frieda Falcon gathered for food and friendship while getting ready for the action. Kids from the Valley Children's Hospital, the beneficiary of the California Raisin Bowl game, accompany their "buddy", a player, to mid-field for the coin toss before the game in one of the highlights of the week. The passing combination of quarterback Erik White (#7) and wide receiver Ronnie Redd (#85) connect on a 32-yard pass play on BC's first drive which ends on a five-yard touchdown catch by Brett Landman (#96).

Cal Bowl '91 - The Game

The difference in the game was the play of Bowling Green MVP Mark Szlachcic (#84) who caught 11 passes, two for touchdowns, for a school-record 189 yards, and the defense standing tall when it needed to. The game ended with Kevin O'Brien (#48) pressuring Fresno State quarterback Mark Barsotti into throwing incomplete on the Falcon three-yard line to ensure BG's first bowl victory. Former BGSU defensive end Phil Villapiano served as Grand Marshal of the Cal Bowl and gave a rousing speech at Friday's Kickoff Luncheon. He is pictured with bowl game President Shirley Watson and wife, Susan.

Cal Bowl '91 - The Hospital Visit

Certainly the highlight of the week is the visit by the teams to Valley Children's Hospital to meet their "buddy" for the first time. Many of the players on both teams are paired up with a child who is being treated at the hospital. Each child gets a chance to spend some time with their "buddy" that day and again prior to the game. Two of the players and their "buddy" from each team also participate in an ice cream eating contest as part of the activities. Each year one player from each team is presented the Josh Bryant Award for displaying extraordinary courage in the face of personal or physical adversity. BG offensive lineman Matt Kregel received the 1991 award from Josh's brother, Matthew, and mother, Lori. Josh Bryant died at the age of six after a gallant battle against leukemia.

The Las Vegas Bowl

The name and location have changed, but the participants have not.

The Mid-American Conference and the Big West Conference will, for the 12th straight year, have their champions meet, but this year, for the first time, the two teams will play in the Las Vegas Bowl.

The Dec. 18 game will be played at the 32,000-seat Sam Boyd Silver Bowl on the campus of the University of Nevada, Las Vegas. The contest will begin at 5 p.m. (8 p.m. Eastern Time) and be broadcast live by ESPN.

The MAC and Big West have a two-year contract with the Las Vegas Events, Inc. for the bowl. The Las Vegas Bowl replaces the California Raisin Bowl which had featured the league champions from the two conferences the last 11 seasons.

Cris Shale

Punter Cris Shale became the most decorated player ever at BGSU in 1990 earning a spot on five All-America teams while establishing four MAC records, including season (46.77) and career (43.09) average. For being selected to the Associated Press All-America team, Shale was invited to Ft. Lauderdale, Florida for the taping of the Bob Hope Christmas Show (photo at left), which annually presents the AP team as one of the segments on the show. Shale, a 10th round pick of the Washington Redskins in the 1991 draft, led the nation in punting.

Alma Mater

Alma Mater hear us,
As we praise thy name
Make us worthy sons and daughters
Adding to thy fame.

Time will treat you kindly
Years from now you'll be
Ever dearer in our hearts,
Our University.

From your halls of ivy
To the campus scene,
Chimes ring out with gladness
From our dear Bowling Green.

When all is just a mem'ry
Of the by-gone days,
Hear our hymn dear Alma Mater
As thy name we praise.

Retired Jersey

The only football jersey ever retired at Bowling Green is #29. It was worn by Paul Miles from 1971-73. Miles rushed for 3,239 yards and 25 touchdowns in his career and was a three-time first team All-MAC selection. He was just the third back in NCAA history to rush for 1,000 or more yards in three consecutive seasons.

The Peace Pipe Award is held by (l-r) captain Brian Sherman, head coach Gary Blackney, President Paul Olscamp, Athletic Director Jack Gregory and captain Terry Wilson.

Peace Pipe Award

The Peace Pipe is a traveling award that goes to the winner of the annual gridiron battle between Bowling Green and Toledo. The Peace Pipe tradition actually began on the basketball court during the 1947-48 season. At that time, the teams exchanged a six-foot long wooden peace pipe. The original basketball Peace Pipe disappeared, so, in 1980, the Peace Pipe was reinstated for football. Today's Peace Pipe is a smaller version of the original pipe, resting atop a trophy that displays the score of each football meeting since 1980. BGSU won last year's contest and will take a 30-22-4 series edge into the Oct. 17 game this season.

Ay Ziggy Zoomba is Bowling Green's unofficial fight song (the official fight song is "Forward Falcons"). No one knows who wrote "Ay Ziggy Zoomba," but it became famous nationally when former Falcon All-American and Detroit Lion All-Pro halfback Mike Weger sang it in the film "Paper Lion." The Falcon football team traditionally sings "Ay Ziggy Zoomba" after each victory.

Why Orange and Brown

Burnt orange and seal brown have been the school colors at Bowling Green State University since 1914, the first year of classes. Legend has it that Leon Winslow, an industrial arts faculty member, got the idea from watching a women's hat on a bus to nearby Toledo, Ohio. He liked the brown and orange color combination. So, too, did former Cleveland Browns' head coach Paul Brown. Following a trip to BGSU in the 1940s, Brown used the colors for his All-America Conference team.

Frieda & Freddie Falcon

Frieda and Freddie Falcon are the official mascots of the Bowling Green Falcons. Together with the BGSU cheerleaders, Frieda and Freddie boost spirit at intercollegiate athletic events. Tryouts are held each spring, and winners remain anonymous to the student body until each is beheaded at the last home basketball and hockey game. The Freddie Falcon tradition began in 1950 while Frieda Falcon was added for the 1979-80 athletic year.

Why The Falcons?

The 1992 season marks the 65th anniversary of Bowling Green's nickname, Falcons. Before 1927, BG teams were called the Normals or Teachers. Ivan Lake '23 suggested the nickname, Falcons, after reading an article on falconry. Lake, managing editor and sports editor of the Sentinel Tribune in Bowling Green at the time, proposed the name change because it fit headline space and because falcons were "the most powerful bird for their size and often attacked birds two or three times their size."

The Anniversary Award is held by (l-r) captain Terry Wilson, Athletic Director Jack Gregory, head coach Gary Blackney and captain Brian Sherman.

Anniversary Award

The Anniversary Award is a traveling award that goes to the winner of the football game between Bowling Green and Kent. Established in 1985 by the respective alumni departments at BGSU and Kent, the Anniversary Award commemorates the founding of BGSU and Kent in the year 1910. BGSU won last year's contest and leads the all-time series with its "sister school," 41-13-6. BGSU and Kent square-off on Nov. 7 this season. Kent, which has been BG's opponent in more football games than any other opponent, has won the award only once (1988) in the last six years.

What an exciting job to have, working with our student-athletes as they reach for academic, as well as athletic success. I often comment to potential athletic recruits and their parents that as an athlete at BGSU you really are a member of two teams: the athletic team and the academic team. Bowling Green State University, the Athletic Department in particular, is committed to excellence in its academics.

The Athletic Department's efforts to support its student-athletes academically are extensive, but function only as an enhancement to the many fine support services that are available to all the students at the University. Through our numerous programs -- comprehensive tutoring, time-management and study skills workshops, course and major selection advising, support with personal problems, mid-term progress reports, and substance abuse programming -- we intend to have a major impact in assisting the student-athletes to achieve success as they move toward graduation and in becoming contributing members in their chosen professions and in society.

In athletics, wins and losses are the gauge for determining success or failure. In the classroom, however, success can be measured in many ways. The media of late has been anxious to measure academic success in terms of a sport's or an institution's graduation rate. Graduation is certainly important and it is our primary objective when dealing with students. But, we prefer to measure academic success in a slightly different manner. We like to use the term "Successful Completion." Successful Completion includes those who have graduated and those who have left the institution in "Good Academic Standing," many of whom transferred to other

institutions. We are particularly proud of our Successful Completion Rate. For those new student-athletes who entered BGSU in the period 1981 through 1984, the Successful Completion Rate was a very impressive 85.7 percent. Yes, success can be measured in many ways and we are confident that at Bowling Green we continue on the correct path for success: both academically and athletically.

In large measure, Bowling Green State University's success has centered on its ability to offer its students the educational diversity and excitement of a large university, while maintaining the caring and camaraderie of a small college.

That's a direct result of Bowling Green's research and teaching commitment, which attracts top scholars and graduate students and puts the University on the cutting edge of the development of exciting new knowledge, combined with a "We Care" attitude that students are introduced to when they first arrive on campus.

Today, the University has nearly 1,000 full- and part-time faculty and 18,000 students on its main campus. Degree programs are offered through the colleges of Arts and Sciences, Business Administration, Education and Allied Professions, Health and Human Services, Musical Arts, Technology and the Graduate College. Within the undergraduate colleges are schools of Art, Mass Communication, Nursing and Health, Physical Education and Recreation.

In all, the University offers more than 170 undergraduate degree programs, 13 master's degrees in 69 fields of study and doctoral degrees in 14 departments with more than 60 specializations.

In addition to courses on the main campus, the University's Firelands College campus, located in Huron, Ohio, offers five associate degree programs, as well as courses which fulfill the first two years of a bachelor's degree requirement. Firelands enrollment tops 1,400 students.

Fully accredited at the highest state, regional and national levels, the University has chapters of most national academic honor societies, including Phi Beta Kappa and Phi Kappa Phi. Bowling Green is also a member of the National Association of State Universities and Land Grant Colleges.

The University's faculty members, 78 percent of whom hold Ph.D's, include Fulbright Scholars, authors and nationally known researchers. The caliber of the faculty is reflected, too, in the number of aca-

demic programs which are regionally and nationally recognized.

Three departments - chemistry, philosophy and industrial/organizational psychology - are home to Ohio Eminent Scholars. The scholar program was created by the Ohio Board of Regents to attract world-class educators and researchers to the state's universities.

While committed to teaching, faculty are researchers as well, generating new knowledge through independent research and involvement in University units such as the Population and Society Research Center, the MidAmerican Center for Contemporary Music, the Center for Quality, Measurement and Automation, the Canadian studies program, the Center for the Study of Popular Culture and the Social Philosophy and Policy Center.

Bowling Green is also the site of the National Drosophila Species Center and the Mid-America Stock Center - the largest scientific facilities of their kind in the world - where University faculty assist in supplying some 400 species of fruit flies to scientists involved in genetics and cancer research around the globe.

The University's students come from throughout the United States and nearly 60 foreign nations. While most students are between the ages of 18-22, the number of those older than 25 is increasing. Last year, more than 4,000 "non-traditional" students enrolled in undergraduate and graduate programs on a full- and part-time basis.

The focal point of the 1,177-acre campus is the nine-story Jerome Library, with its collection of more than four million items, including 1.6 million volumes plus journals, periodicals, microforms, government documents and other materials. Special sections of the library include the Center for Archival Collections which houses materials relevant to northwest Ohio history and the Sound Recording Archives with 600,000 recordings. The Institute for Great Lakes Research, located in Perrysburg, contains an extensive collection of materials on the shipping industry's past and present.

The University is continually refurbishing its more than 100 existing buildings and upgrading facilities to meet current needs. This fall, a \$9.8 million addition to the Fine Arts Building will be completed. Early next year, the \$8.7 million field house should be ready for use. Pending approval of funds by the legislature, construction is scheduled to begin this fall for a \$13.5 million classroom building and a \$9.5 million major renovation of Eppler Hall.

The University has also accomplished its goal of making computers a vital part of each student's education. There are 19 computer labs, including one in every residence hall complex.

The Student Recreation Center offers something for everyone.

A lot has happened since Dr. Paul J. Olscamp arrived at Bowling Green 10 years ago as the University's eighth president.

Building upon the inherent strengths of the University's faculty and its academic programs, Olscamp charted a course that would move Bowling Green into the ranks of the country's most important colleges and universities. The effort focused on teaching, research and service and has involved a University-wide commitment to excellence.

He adopted the slogan "An Environment for Excellence," a clear indication of the vision he had for Bowling Green.

Early in his administration, Olscamp and the faculty outlined the task ahead in a 27-goal document called the Role and Mission Statement. Most of the goals centered on improving the quality of undergraduate and graduate students; academic programs; learning resources, particularly computing and the library; and the faculty development, including recruitment of minority faculty.

Now, as Olscamp begins his 11th year at Bowling Green, many of those original goals have been met and new priorities have been established, including additional scholarships for academically gifted students, strengthening the graduate program and further enhancement of the University's endowment.

One of his most important accomplishments has been to fully involve the faculty in University governance. Faculty now have a key role in developing the annual budget and share authority with the president in interpreting the University's Academic Charter. The faculty also have greater control over the curriculum and development of new academic programs.

While always a concern, finances have taken center stage in recent years. With a tightening state budget, Olscamp has directed efforts to increase private giving. During his tenure, the school's endowment has increased to nearly \$35 million from \$1.9 million when he arrived.

Olscamp brings a personal touch to his presidency. He frequently hosts both students and faculty at his home. He also holds periodic forums with students wanting to discuss campus issues.

A great deal has happened at Bowling Green since 1982. Here are some of the highlights:

Academic Programs

- * Creation of Bowling Green's first endowed professorships, in management, finance, chemistry and philosophy.

- * Development of the Center for Photochemical Sciences, the only one of its kind in the country. Photochemistry is a multibillion dollar growth industry and some key research for that industry is being conducted at Bowling Green.

- * Development of the Center for Quality, Measurement and Automation, the only center of its kind in the state de-

signed to assist manufacturing and other businesses in the design and production of products.

- * The appointments of three Ohio Eminent Scholars in photochemical sciences, moral philosophy and industrial/organizational psychology; the positions are the result of three \$500,000 grants from the Ohio Board of Regents.

- * The addition of doctoral programs in applied philosophy and photochemical sciences; the 13th and 14th Ph.D. offerings at BGSU.

- * More than 205 students are National Merit Scholars, one of the highest numbers on any campus in the country.

- * Establishment of the University's first major scholarships for minority students.

- * Creation of a network of computer labs throughout the campus, including labs in each residence hall. Last year computers were installed in each room of Chapman Hall, part of a successful pilot project which could result in other residence hall rooms being equipped with computers. One survey has BGSU listed 35th in the country in the number of personal computers on campus.

- * Securing more than \$5 million from the Board of Regent's Selective Excellence Programs, which are designed to attract top scholars, conduct pioneering research and develop centers of excellence. Grants have been awarded in both the sciences and the humanities.

- * Creating a Canadian studies program emphasizing Canada-U.S. trade relations and economic development in the northwest Ohio region.

- * Expansion of the library's holdings to more than four million items, including 1.7 million books, plus journals, periodicals, microforms, government documents and other materials.

- * Development of the Student Telephone Accessed Registration system which enables students to schedule their classes from a touchtone telephone. The STAR system has made long registration lines a part of University history.

Physical Plant

- * More than \$132 million has been spent in the past 10 years for the construction of new buildings and upgrading existing buildings.

- * Completion of the \$7.2 million Physical Sciences Laboratory Building in 1984, a \$3.65 million addition to the Business Administration Building in 1988 and a \$9.8 million addition to the Fine Arts Building.

- * Construction is now nearing completion on an \$8.7 million field house and is scheduled to begin soon on a \$13.5 million classroom building.

- * Major renovation and refurbishing of existing campus buildings including Williams, Overman, Hayes and Shatzel halls, the Eppler complex and Founders Residence Hall. Construction of a \$2 million office building to house faculty and staff temporarily displaced by renovation projects and later to be used for permanent offices.

University Finances

- * Creation of an internal endowment fund of \$4 million from various University reserves. The balance is approaching \$8 million and is expected to reach \$10 million in 1994. Interest on the \$10 million principle will be used to supplement the academic budget.

- * Developing a plan to restructure debt service obligations which is projected to result in a \$35 million principle in 10 years. Interest on that amount, which could approach \$3 million annually, will go toward the academic budget.

- * Completion of the most successful fund raising drive in University history. With the assistance of the development and alumni office, the 75th Anniversary Fund raised more than \$15 million in three years; well above the \$12.5 million goal. Donations included the University's first two \$1 million gifts--from the Stranahan Foundation of Toledo for the Social Philosophy and Policy Center and from Harold and Helen McMaster of Perysburg for the McMaster Leadership Institute. In 1988 the Stranahan Foundation awarded a \$3 million grant to the Social Philosophy and Policy Center.

- * Currently underway is a \$1.825 million Campaign for the Arts which will benefit theatre, music, art, dance and Arts Unlimited programs. As of July 1, 1992, more than \$1.3 million had been raised.

Since his appointment 11 years ago as director of athletics at Bowling Green State University, John C. (Jack) Gregory has set a standard of excellence designed to place Falcon men's and women's teams on equal terms with today's elite intercollegiate athletic programs.

To reach these goals, Gregory challenges his staff of administrators, coaches and classified personnel to settle for nothing less than the very best. His challenge has resulted in some of the finest moments in the history of intercollegiate athletics at BGSU:

- the 1984 NCAA Division I Ice Hockey Championship;
- 15 Mid-American Conference regular season championships in football, men's and women's basketball, softball, women's cross country, gymnastics, men's golf, and volleyball;
- three California Bowl appearances;
- four MAC postseason tournament championships;
- three Central Collegiate Hockey Association regular season championships;
- one CCHA postseason tournament championship;
- 17 NCAA Tournament appearances in hockey, basketball, softball and gymnastics, including a 13 in the last six years, the most of any MAC school;
- three home NCAA Tournament berths in hockey, softball and women's basketball;
- and the 1987-88 and 1991-92 Jacoby Trophies, awarded annually to the MAC school with the best overall record in women's sports.

Under Gregory's guidance, the Falcon athletic program completed one of its best seasons ever in 1991-92 with five teams setting records for wins in a season, two earning postseason berths and the women's programs earning the Jacoby Trophy for the second time in the last five years.

Postseason appearances by five BGSU teams highlighted the 1990-91 and 1989-90 seasons. The appearance of the men's basketball team in the NIT for the second consecutive year in 1990-91 marked the first time since the early 60s that the program had earned back-to-back postseason invitations. In 1989-90, Bowling Green was the only school in the country that sent teams to national postseason tournaments in men's and women's basketball and hockey.

Gregory came to Bowling Green during one of the most difficult periods in the school's 73 years of intercollegiate athletics, a time when BGSU and the MAC were fighting for NCAA Division I-A status in football. Behind Gregory's leadership, the football program attained I-A status.

Record crowds have attended Falcon football, hockey and women's basketball games during Gregory's tenure. Soccer, volleyball, gymnastics and softball are drawing larger crowds, too.

Another "first" during Gregory's tenure occurred in the fall of 1990 when more than 25,000 fans turned out for the first night game in Perry Stadium history.

In 1983, 33,527 fans packed Perry Stadium to witness the Bowling Green-Toledo football clash, one of college football's best rivalries. BGSU and MAC single game at-

Jack Gregory

tendance marks fell that afternoon. Two years later, the Falcons drew a record 112,110 fans for five home games, the third-largest average attendance (22,422) in MAC history. In 1987, Bowling Green set still another MAC attendance record by playing in front of 84,574 fans at Penn State.

Sell-out crowds for BGSU hockey games are a tradition. In 1989-90, 1,700 seats were added to the BGSU Ice Arena, and all attendance records were broken, including game (5,005) and season (79,376) mark.

With the growing interest in TV sports programming, Gregory has aggressively negotiated for live television coverage of BGSU sports events. Last year, Falcon football, basketball and hockey all at-

tracted live TV coverage. This year promises more of the same. Falcon football and basketball will be aired as part of the MAC Game of the Week broadcasts, while Falcon hockey will continue to play in front of a national TV audience as part of the CCHA Game of the Week.

With the world of college athletics changing constantly, it is important for Gregory to be active on the national level. Gregory has served on numerous NCAA committees, including the Executive Committee, and is one of the most active athletic directors on a national level in the MAC. He has also served in many different capacities in both MAC and CCHA.

Gregory, 64, has also been instrumental in the development of the Falcon Club, the University's official athletic department booster club. Recent membership drives have encompassed all of northern and west central Ohio, resulting in unparalleled growth in cash and pledges. The Falcon Club has more than doubled its income and grown to such an extent that it compares favorably with any athletic support organization in the country.

Still, Gregory understands the integrity of college athletics depends on the continued emphasis of the "student" in student-athlete. In that regard, he appointed an academic coordinator in 1984, the first such appointment in the MAC.

Many BGSU student-athletes have excelled in the classroom. Volleyball's Linda Popovich became the MAC's first female to receive the Byers Scholarship in May, 1990. There were more than 160 BGSU scholar-athletes with grade point averages of 3.0 or better in 1991-92, including three who were named Academic All-Americans, raising the total to 18 Academic All-Americans in the last six years.

A 1952 graduate of East Stroudsburg State College and holder of a master's degree from Temple University, Gregory and his wife, Peg, reside in Bowling Green. They are the parents of two sons and have two grandchildren.

Bowling Green's success on the field depends, in part, on how hard the Falcons work away from the field during the off-season. So, during the winter, spring and summer, the BGSU Athletic Fitness Center has become a second "home" for members of the Falcon football team.

The 5,800-square foot facility is located on the west side of Doyt L. Perry Stadium. Since its opening in 1988, the fitness center has helped the Falcons reach their potential for strength and conditioning.

The facility offers everything from free weights and nautilus equipment to an open mat area for general fitness and agility exercises. Office space, restrooms and lockers are also available.

The facilities that support the many BGSU athletes and coaches are among the finest in the Mid-American Conference, if not the Midwest. And the athletic department and University are always striving to improve upon what is already in place.

During the 1993 spring semester, a brand new indoor facility will be completed which houses an indoor track, basketball courts and a turf room. The turf room has enough space for a 70-yard football field.

Falcon athletes also enjoy the best surroundings when preparing for a contest with locker rooms (football below) that include new carpeting and wooden lockers.

A Mid-American Conference record crowd of 33,527 attended the Toledo-Bowling Green game in 1983.

Doyt L. Perry Stadium, with its 30,000-plus seating capacity, is celebrating its 27th year as the home of Bowling Green State University football.

Built in 1966 for approximately \$3 million as a replacement for the 43-year-old University Stadium, Perry Stadium had a capacity of 23,272 until bleacher seats were installed in both end zones in 1982.

One of the largest and most attractive athletic facilities in the Mid-American Conference, Perry Stadium holds the conference record for single-game attendance.

On October 8, 1983, a huge crowd of 33,527 packed into Perry Stadium for the annual Northwest Ohio rivalry between Bowling Green and Toledo, establishing a school and MAC record for single-game attendance. The Falcons went on to set a season record, breaking the six-digit figure for five games with a total draw of 100,021. It marked the first time in history that Bowling Green averaged more than 20,000 fans for five home football games.

That figure was topped in 1985, when Bowling Green posted a perfect record (11-0) in the regular season and clinched the MAC Championship by shutting out Toledo at Perry Stadium in November. More than 28,000 fans turned out that day, raising Bowling Green's season attendance to an all-time high 112,000, an average of 22,400.

Perry Field is more than just a football facility. The east side of the stadium in-

cludes dressing rooms, equipment and training rooms, along with the Athletic Department offices. The west side received a face-lift four years ago. A physical fitness center / weight room opened its doors for all 19 intercolle-

gate athletic teams in the summer of 1988.

Also situated on the west side of Perry Field are the Falcon Club offices and clubhouse, the academic counselor's office, the track and cross country offices, as well as maintenance and storage are-

as.

Sitting atop the press box on the west side of the stadium is the plush Stadium Club. Now in its 13th year of operation, the Stadium Club's 106 theatre-type seats, which are all sold, provide loyal BGSU fans with a fine view of the game. The President's Box, located at the top of the east side of the stadium, provides luxury seating for President Paul J. Olscamp and other supporters of Falcon football.

Bowling Green won the first game ever played in Perry Stadium, defeating Dayton, 13-0, on October 1, 1966. Since that time, the Falcons have won over 65 percent of their home games, compiling an 81-42-5 record in the 128 games played at Perry Stadium. Over the last 10 seasons, Bowling Green is 37-9-3 at home for a .786 winning percentage.

A multi-purpose facility, Perry Stadium

has also hosted concerts, NFL exhibition games, and major soccer tournaments.

Perry Stadium is named in honor of the man who led Bowling Green to a 77-11-5 record in his 10 years as the head coach of the Falcons. Doyt L. Perry was simply one of the greatest football coaches of his day. His .855 winning percentage over 10 seasons in the 1950s and 1960s remains one of the highest in football history. In fact, according to the NCAA, Perry is fourth all-time behind Bob Reade (Augustana), Knute Rockne (Notre Dame) and Frank Leahy (Notre Dame) in winning percentage among coaches with at least 10 years of service on the collegiate level. Perry served as the BGSU Athletic Director for seven years after stepping down as football coach.

Stadium Dedication Set for September 26

At halftime of the Sept. 26 Bowling Green State University football game against East Carolina, a special ceremony will be held to dedicate the stadium in the name of former BGSU football coach and athletic director Doyt L. Perry.

The facility was previously called Doyt L. Perry Field and will be re-named Doyt L. Perry Stadium.

Doyt's wife, Loretta, along with other family members will be present to accept a gift commemorating the dedication of the stadium in the name of her late husband.

Perry was inducted into the National Football Foundation's College Football Hall of Fame in 1988, he was a BGSU Athletic Hall of Fame inductee in 1971 and an inductee into the Mid-American Conference Hall of Fame in 1988.

CREDENTIALS: Requests for working press credentials should be made to Steve Barr, Sports Information Director. Requests should be made at least one week in advance. Late requests will be honored if space is available but parking cannot be guaranteed for requests less than one week in advance. Scouts and non-working media will be seated if space is available. Requests are screened with care to insure a working press box. Children, spouses and pets are not allowed in compliance with the working code of the Football Writers Association of America.

INTERVIEWS: All interviews with members of the team during the season should be arranged through the sports information office. Please allow 24 hours to set up interviews with players. Arrangements will be made for telephone and in-person interviews at a time that is mutually agreeable to the reporter/broadcaster and the athlete. The best time to call Coach Blackney is between 10 a.m. - 2 p.m., weekdays. Any television crew wishing to tape an interview with Coach Blackney may do so daily just prior to practice. Please make prior arrangements with the sports information office.

MEDIA DAY: The annual preseason media day will be held the afternoon of Sunday, August 16 at Doyt L. Perry Stadium. The players and coaching staff will be available for photographs and interviews by members of the radio, television and print media.

PARKING: A special media parking lot (A, see map on this page) is located adjacent to Doyt L. Perry Stadium, near the southwest corner of the stadium. Access to the media lot is by Alumni Drive which connects Mercer Road (near the Alumni Center) and Wooster Street (near the Information Booth). Admission to the media lot is restricted to people holding special parking passes acquired from the sports information office. All media members are asked to enter the stadium through the pass gate (see map) at the southwest corner of the stadium.

PRESS GATE: The press gate (Gate 2) at Doyt L. Perry Stadium is at the southwest corner of the stadium (pass gate on the map), a short walk from the media parking lot.

PHOTOGRAPHERS: Photo passes for newspaper photographers, and, under special circumstances, for free-lance photographers are available from the sports information office. Photo passes entitle the photographer access to the sideline, the locker room after the game and the press box.

POST-GAME COMMUNICATIONS: There are three telephones in the press box for use after the game. After the sports information staff completes reports to the wire services, television stations, and beeper reports to the radio stations, these phones are available, free of charge, to members of the media for collect calls. One Ricoh Fax 20 will also be available on a first-come, first serve basis with prior notification.

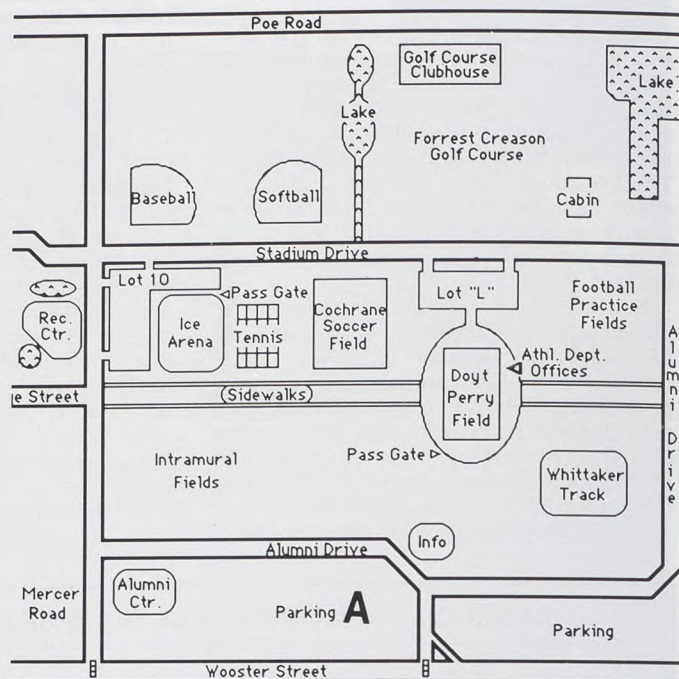

POST-GAME INTERVIEWS: The locker rooms are on the east side of the stadium, and can be entered through the tunnels at either the north or south end. Only people with proper credentials will be admitted. Coach Blackney and players as well as opposition coach and players will be available for post-game interviews in the weight room, located between the two locker rooms, following the normal cooling-off period.

PRESS BOX SERVICES: Members of the media will be provided with game programs, flip cards, current statistics and last-minute pregame notes prior to the start of the game. Statistical summaries will include play-by-play, halftime stats, complete team and individual stats and tackles. A light snack will also be available.

PRESS CONFERENCE: Coach Gary Blackney will hold a regular weekly press conference during the season on Monday at 11:00 a.m. in his office on the east side of the stadium. All members of the media are welcome to attend.

RADIO: There are radio booths in the press box at Doyt L. Perry Stadium. Requests for permission to broadcast must be made in writing at least **THREE WEEKS** prior to the game. A rights fee of \$100 will be charged to the broadcast. The fee will be waived for the official station of the visitors. There is space in each booth for four persons, but no spouses or children are allowed. Phone lines can be ordered through General Telephone Company (419/668-3785).

TELEVISION: There are no regularly reserved booths for television, so anyone wishing to televise a game from Doyt L. Perry Stadium should contact the sports information office at least **ONE MONTH** prior to the game, and preferably before the start of the season.

Falcon Football

Senior Steve Bosko (56) and junior Joe Wyse (61) are the only returning linemen for the Falcons. Bosko is likely to start at center this season while Wyse will be the starter at left tackle. Sophomore Ryan McElroy (89) will see playing time at tight end.

Sophomore Ronnie Redd made the most of his receptions last season catching six for touchdowns among his 19 catches. Here he is catching a six-pointer against Cincinnati.

Senior LeRoy Smith led the team in rushing last season with nearly 900 yards. He begins this season seventh on the BGSU career rushing list needing 140 yards to become only the fifth back in school history to reach 2,000 for a career.

Two of the mainstays in the Falcon defensive unit are safety Dave Bielinski (returning the interception) and senior Ken Burrell (3). The two helped BG finish ninth in the nation last season in scoring defense.
